A Preacher goes to the dentist for a new set of false teeth.

The first Sunday after he gets his new teeth, he talks for only eight Minutes.

The second Sunday, he talks for only ten minutes.

The following Sunday, he talks for 2 hours and 48 minutes. The congregation Had to mob him to get him down from the pulpit and they asked him what the Heck happened.

The Preacher explains "the first Sunday my gums hurt so bad that I couldn't Talk for more than 8 minutes".

"The second Sunday my gums hurt too much to talk for more than 10 minutes".

"But, the third Sunday, by mistake, I put my wife's teeth in and just couldn't Seem to shut up".
