Back by popular demand, the last few times we did this we had a great time, their food is good And it doesn't cost an arm & a leg, see you there.

This is all I have at this time for June. Because of the 4th of July holiday being on the first weekend next month the Board of Directors meeting will be held on the 8th of July at Rosner's Chevy on US 1 & the Club Meeting will be on the 12th of July at MeMaws BBQ. A couple of things coming up in July before the July meeting, that you may want to be aware of, are a July 4th Parade in downtown Melbourne & a July 5th Birthday Party for the Good Old USA & Paul & Ron, who were born on the 4th of July. The party will be held at Ron & Janice home on Atz Dr in Malabar, there may be more details forth coming at this month's meeting, but be sure to check the website regularly for updates on these events & anything else that comes up because the newsletter will come out after these two events are over. Here is hoping all of you have a great month & see you at the events.

Moms in group therapy:

A psychiatrist was conducting a group therapy session with four young Mothers and their small children.

"You all have obsessions," he observed.

To the first mother, Mary, he said, "You are obsessed with eating.

You've even named your daughter Candy."

He turned to the second Mom, Ann: "Your obsession is with money.

Again, it manifests itself in your child's name, Penny."

He turned to the third Mom, Kathy: "Your obsession is alcohol.

This too shows itself in your child's name, Brandy"

At this point, the fourth mother, Joyce, quietly got up, took her little boy by the hand and whispered, "Come on Dick, this guy has no idea what he's talking about. Lets pick Willy up from school and go home."

This is dedicated to all of us who are seniors, to all of you who know seniors, and to all of you who will become seniors. It pays to be able to laugh about it when you are!

"WHERE is my SUNDAY paper?!" The irate customer calling the newspaper office, loudly demanded to know where her Sunday edition was.

"Madam", said the newspaper employee, "today is Saturday. The Sunday paper is not delivered until tomorrow, on SUNDAY".

There was quite a long pause on the other end of the phone, followed by a ray of recognition as she was heard to mutter, "Well, crap, so that's why no one was at church today."

Recap of some of May's Events

May 17: Brunch at Jimmies Restaurant at Turtle Creek Golf Club.

The quality of the food was good & the portions were large with the price extremely reasonable. The Only initial drawback was a problem with the air conditioning which was fixed before we left.

May 21: One of our sponsors A & A Auto Repair Cruise-in

Al & the other owners of A & A were great hosts, opened up their shop for us to look at their Repair facilities & tell us of their auto repair expertise. We were served grilled hamburgers, hot dogs And all the trimmings, tasted great & Thanks to A & A for having us & hope you ask us again.

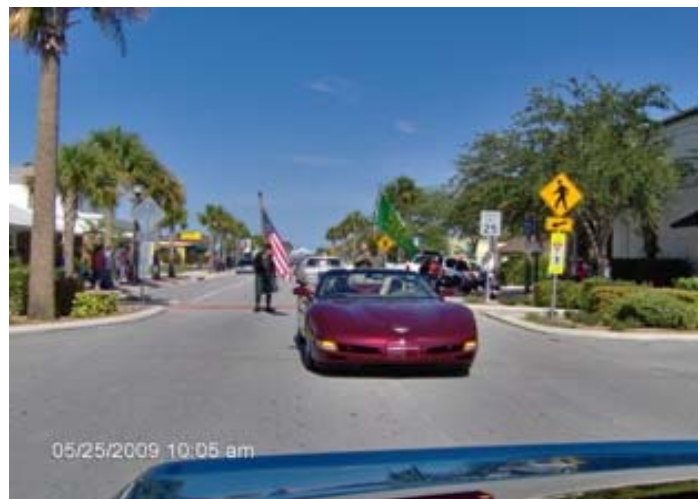

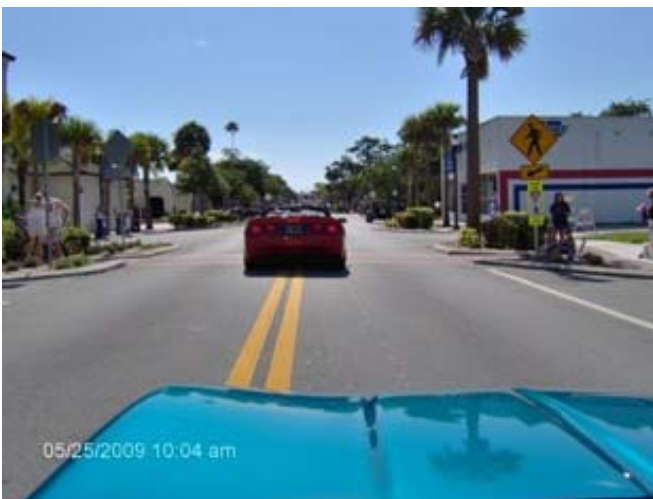

A & A cruise-in

May 25: Memorial Day Parade

It is a shame that many people no longer show their respect for our soldiers killed & wounded over the Years in defense of our freedoms & our country. Of all the schools in our area, not one sent a band To participate in the parade & though more spectators came to view the parade this year as last, not Nearly as many came, as should, to show their respect for our Vets. As far as people not displaying flags On their homes on Memorial Day in respect to our Vets & Country is completely shameful.
