A Preacher goes to the dentist for a set of false teeth.  
The first Sunday after he gets his new teeth, he talks for only eight minutes.  
The second Sunday, he talks for only ten minutes.  
The following Sunday, he talks for 2 hours and 48 minutes. The congregation had to mob him to get him down from the pulpit and they asked him what the heck happened.  
The Preacher explains the first Sunday his gums hurt so bad that he couldn't talk for more than 8 minutes.  
The second Sunday his gums hurt too much to talk for more than 10 minutes.  
But, the third Sunday, by mistake he put his wife's teeth in and couldn't shut up.
